where the axioms are:

Ax₁: $\mathbb{A}\mathbb{E}\mathbb{X} \vdash \text{research} = \emptyset$ (exclusive engagement exhausts all other activity)

Ax₂: $\neg \text{research} \vdash \mathcal{G} = 0$ (growth $\mathcal{G}$ vanishes without research)

Ax₃: $\mathcal{G} = 0 \vdash \text{Rocco} = \text{dull boy}$ (zero growth defines a dull boy)

A sine wave graph is plotted on a grid. The sentence "All TikZ and no research makes Rocco a dull boy" is repeated multiple times along the path of the sine wave, following its oscillations.
